# IN THE SCHOOL OF PROPHETS

## The Formation of Thomas Merton's Prophetic Spirituality

Ephrem Arcement, OSB

The distinctive prophetic quality of Thomas Merton's spirituality, shaped by figures ranging from the Hebrew prophets to Thich Nhat Hanh, emerges from this fresh examination of the works Merton read, responded to, and celebrated in his own writing.

*In the School of Prophets* examines the final decade of Merton's life, mainly through the lens of his journals and letters, and helps to fill a gap in contemporary Merton studies. William Blake and various Latin American poets; novelists Boris Pasternak, Albert Camus, and William Faulkner; existentialists Søren Kierkegaard and Gabriel Marcel; monks of the Egyptian desert; and Bernard of Clairvaux number among those who helped shape Merton's prophetic consciousness, leading him to reexamine what it means to be both a human being and a contemplative monk of the twentieth century.

**Ephrem Arcement, OSB**, is a monk of St. Joseph Abbey in Louisiana. He earned his PhD in spirituality from The Catholic University of America, Washington, DC, and currently teaches courses in Scripture and spirituality at St. Joseph Seminary College. His first book, *Intimacy in Prayer: Wisdom from Bernard of Clairvaux*, appeared in 2013.

## THOMAS MERTON

Early Essays, 1947-1952

Edited by Patrick F. O'Connell

Preface by Jonathan Montaldo

This volume gathers together twelve essays that Thomas Merton wrote for various journals between 1947 and 1952, the years that saw the publication of his best-selling autobiography *The Seven Storey Mountain*, his ordination to the priesthood, and his initial appointment as spiritual and intellectual guide of the young monks at the Abbey of Gethsemani. The collection makes available a previously little recognized and underutilized resource for understanding and appreciating a crucial transitional phase in Merton's life as both monk and writer.

# AT PLAY IN CREATION

## Merton's Awakening to the Feminine Divine

Christopher Pramuk

In this series of deeply meditative retreat conferences, Christopher Pramuk leads the reader through a sustained meditation on Wisdom-Sophia, the feminine face of God's presence alive in the world, who speaks and sings in the writings of Thomas Merton. With the sensitivity of a poet and the intellectual acuity of a seasoned teacher and Catholic theologian, Pramuk invites readers to taste and see for themselves the hidden presence of Christ and the dynamism of Love at play in creation; the biblical and mystical tradition from East to West calls this presence Sophia. Looking beyond Merton to seek out her presence in the silent and broken landscapes of our world today, Pramuk shows Sophia above all to be the bearer of hope in an age of unspeakable violence and planetary destruction.

# IN THE VALLEY OF WORMWOOD

**Cistercian Blessed and Saints of the Golden Age**

*Thomas Merton*

*Edited with an introduction by Patrick Hart*

*Foreword by Brian Patrick McGuire*

Shortly after entering the monastic life in December 1941, a relatively unknown Trappist monk called Frater Louis—who would later be known to the world by his given name, Thomas Merton—began to pen biographical sketches of early Cistercian blessed and saints. These were initially collected, printed, and bound inexpensively, with no mention of the author, by the Abbey of Gethsemani. They are now published here for a wide audience for the first time.

This work of the very young Merton perhaps takes on added significance when one considers the writing that lay just ahead of him at the time. In 1948, his autobiography, *The Seven Storey Mountain*, was published and soon became an unexpected national bestseller. This long-awaited publication of *In the Valley of Wormwood* offers a window into Merton's thinking and his spiritual life just a few years before his phenomenal autobiography would see the light of day.

## The Hidden Christ of Thomas Merton

Christopher Pramuk

While numerous studies have celebrated Thomas Merton's witness as an interfaith pioneer, poet, and peacemaker, there have been few systematic treatments of his Christology as such, and no sustained exploration to date of his relationship to the Russian "Sophia" tradition. This book looks to Thomas Merton as a "classic" theologian of the Christian tradition from East to West and offers an interpretation of his mature Christology, with special attention to his remarkable prose poem of 1962, *Hagia Sophia*. Bringing Merton's mystical-prophetic vision fully into dialogue with contemporary Christology, Russian sophiology, and Zen, as well as figures such as John Henry Newman and Abraham Joshua Heschel, the author carefully but boldly builds the case that *Sophia*, the same theological eros that animated Merton's religious imagination in a period of tremendous fragmentation and violence, might infuse new vitality into our own.

A study of uncommon depth and scope, inspired throughout by Merton's extraordinary catholicity.

**"I love this book. Pramuk's writing is at once deeply insightful and beautifully poetic. . . . It marks a fresh new insight into the depth of Merton's theological vision."**

## FROM THE PEOPLE OF GOD SERIES THOMAS MERTON

### Faithful Visionary

Michael W. Higgins

Thomas Merton was the consummate post-modern holy one: flawed, anti-institutional, a voice for the voiceless. But he was also a classical traditionalist: centered, obedient, in search of stability. He was a religious thinker of remarkable insight, a social commentator of courage and conviction, and a writer of startling virtuosity.

Michael W. Higgins recounts the life of this insatiable wanderer. He explores the various layers of influence and evolution in Merton's thought and spirituality. This book tells the remarkable story of a life that remains to be understood from its beginnings and long after its premature ending.

“

**Michael Higgins writes a clear and compelling tale of the monk's faithful yet boundary-breaking life. . . . One should turn to this book if seeking an introductory and quick read on the life of Merton—it will provide both an overview and an appropriate analysis of Merton's early life, his moments of conversion, times of tribulation, and a sliver of his mysterious draw to the East.”**
